# Goodbye Old Face

👁 23 ✓ 4 ★ 7

## Chapter 1 by Adam Muller

I sliced just inside her nose, at the base, to access bone and cartilage. Her nose wasn't terrible-- a hanging nose, it's called. It's got the hump and enlarged tip. Think Owen Wilson.

It's no boxer nose, but she wants it fixed badly. She'll likely feel better about herself afterward, exude a little more confidence around her friends. Though, her friends won't tell her, they'll secretly distrust her. They'll say she looks better, but they'll prefer her old face.

## Chapter 2 by Adam Muller

She didn't contact me until almost a year later, but it was enough time for all her friends to leave her.

I'd received the request only once before from a girl who had convinced herself she'd wanted a Michael Jackson nose. Two months later she wanted her old nose back.

## Chapter 3 by intellikat

I kept all of the old noses in a brown paper bag on top of the Tivo box.
